Security Deposit Requirement which is separate to the school fees

A deposit equivalent to one term's fees (four months) is payable before the student may start. It has to be "topped-up every year" so that the deposit is equal to one term's fees at all times. Grades 0000 - 00 are required to pay the equivalent of two month's fees, however this has to be made up to one term's fees before the child graduates to Grade R.

The Security Deposit is refundable, without interest, on receipt of one full term's written notice, less any outstanding fees.
